The terms First Party and Second Party, unless repugnant to the context shall include the respective successors-in-office, representatives, assigns etc., of the First Party and the Second Party.

WHEREAS, to develop an Industry Institute relationship, the students enrolled at the First Party, are required to gain practical knowledge in the field of Civil Engineering, in addition to acquiring theoretical knowledge, as part of the curriculum, at the Institution level,

AND WHEREAS, the Second Party is in the sector of manufacturing and marketing cement for Civil construction works, and has the requisite infrastructure to provide opportunities for training of students.

Now, therefore, in recognition of the aforesaid agreement, which will be purely academic in nature, the parties hereto agree to achieve the aforesaid objective of both the parties, with the following terms and conditions:

1. That the present MOU shall be valid for a period of Three years, with effect from the date of signing of this MOU.

2. That the First Party will organize, on a mutually agreed date and time, Industrial visits by students and faculty to the manufacturing units and construction sites of the Second Party.

3. That the First Party will invite, from time to time, Guest lectures by experts interactions/ promotional activities/ demonstrations/ Product launches, etc., from the Second Party, at the premises of the First Party.

4. The expenses incurred for the Industrial visits as well as invitation of Guest lectures, will be borne entirely by the First Party.

This MOU is being printed in two original copies-one original shall be in the custody of the First Party and the other original in the custody of the Second Party.
