### Objectives of the Grievance Redressal Cell:

- To ensure a fair, impartial and consistent way for the redressal of various issues faced.
- To promote good relationships among students, staff (teaching and non-teaching) and other staff members.
- To address and resolve grievances promptly and in complete confidentiality.
- To respect the views of both grievant and respondent and prevent discrimination or victimization.
- To promote respect for the rights and dignities of all stake-holders.
