

Assam Engineering Institute

Chandmari, Guwahati-3

Library Committee

All members with member secretary give a warm welcome to the new principal Dr. Hitesh Tahbildar and hope that under his leadership the institute will touch the zenith. The Library Committee also feel happy and proud that just after joining; the principal visits the library on his very first working day. The librarian explains the problems faces by the library. The librarian requests the principal to solve root leakage problems of the library, continuation of journals for the departments, safe entrance to the library, shortage of library staff, renovation of staff urinal, uninterrupted internet facilities, CCTV at reading room and reading materials for the library.

The new Principal has assured to solve every problem step by step and asked the member secretary to remind him from time to time. Also, he asks to all members of the committee for full cooperation and dedication to run the institute smoothly, especially for the interest of the readers.
